Re: Administrative Relief request for Institutional Planned
Development No. 1129, Lee Pasteur/Hurley Elementary School
4707 West Marquette Road

Dear Mr. Borstein:

Please be advised that your request for a minor change to Institutional Planned Development No. 1129 has been considered by the Department of Zoning and Land Use Planning pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance and Statement No. 15 of the Planned Development.

You are requesting to reduce the minimum number of parking spaces from 28 spaces to 26 spaces as a result of changes to the fire lane configuration in the school's parking area. The remaining 26 spaces will exceed the number of required spaces based upon the school's proposed full-time employee count (60).

Additionally, you are reshaping the school's playlot from square to a quarter-circle shaped design. Lastly, eight trees have been added—three along the playlot and five along the building's south elevation and two trees have been removed near the service drive. A revised Site Plan and Landscape Plan, prepared by Legat Architects and dated April 3, 2009, along with a revised Bulk Table, dated October 16, 2008, shall be inserted into the main file.

With regard to your request, the Department of Zoning and Land Use Planning has determined that allowing these revisions will not create an adverse impact on the Planned Development or surrounding neighborhood, will not result in an increase in the bulk or density, will not change the character of the development, and therefore, would constitute a minor change.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance and Institutional Planned Development No. 1129, I hereby approve the foregoing minor change, but no other changes to this Planned Development.

Sincerely,

Patricia A. Scudiero
Commissioner
