Kristin Faust  
Executive Director  
Illinois Housing Development Authority  
111 East Wacker Drive  
Suite 1000  
Chicago, Illinois 60601

**Re: Planned Development 1419 – Subarea B1, B2 and D - 5 East 23<sup>rd</sup> and 2301 South Dearborn Streets (Southbridge Phase 1C)**

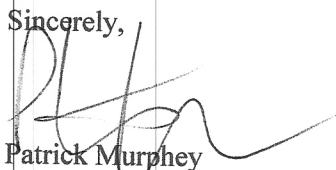

Dear Ms. Faust:

This letter is intended to fulfill the Illinois Housing Development Authority's zoning requirement for the affordable housing financing application being submitted by The Community Builders for the construction of 105 units of mixed-income within three buildings comprised of 20 studios, 33 one-bedroom, 39 two-bedroom, 11 three-bedroom and two four-bedroom units, on land owned by the Chicago Housing Authority.

The property is currently zoned Planned Development 1419, approved by City Council on September 20, 2018; TCB is not proposing to rezone the property. The 5 East 23<sup>rd</sup> Street site is in subarea D of PD 1419 and will consist of 75 units. The units will be constructed in one, multi-story building and the maximum building height in subarea D is 165'. The 2301 South Dearborn Street site consist of two buildings, located in subareas B1 and B2, with 15 units in each building for a total of 30 units. The maximum height in subarea B1 and B2 is 55'.

As proposed the project will not exceed the approved Floor Area Ratio, maximum building heights, or any other bulk and data standards established in PD 1419. The current zoning for this project is appropriate and will permit the proposed project. At the time of this letter no zoning variation requests are pending or required to facilitate the project.

Sincerely,

  
Patrick Murphey  
Zoning Administrator  
City of Chicago

PM:fe

C: Alderman Pat Dowell (3<sup>rd</sup> Ward), B. Esenberg, C. Roubik, F. Espinoza, Kemena Brooks, Main File

*Reclassification Of Area Shown On Map Nos. 6-E And 6-F.*

(As Amended)

(Application No. 19186)

PD 1419

(Common Address: 1 -- 23 W. Cermak Rd.; 2210 -- 2458 S. State St.;  
2401 -- 2459 S. Dearborn St.; 2301 -- 2359 S. Federal St.; 2301 --  
2309 S. State St.; 1 -- 9 East 23<sup>rd</sup> St.; 1 -- 53 W. 23<sup>rd</sup> St.;  
2 -- 24 W. 23<sup>rd</sup> St.; And 34 -- 54 W. 24<sup>th</sup> St.)

[SO2017-3198]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the C2-3 Motor Vehicle-Related Commercial District, RM5 Residential Multi-Unit District, DX-3 Downtown Mixed-Use District and M1-3 Limited Manufacturing/Business Park District symbols and indications as shown on Map Numbers 6-E and 6-F in the area bounded by:

West Cermak Road; South State Street; East 23<sup>rd</sup> Street; the alley next east of and parallel to South State Street; a line 100 feet south of and parallel to East 23<sup>rd</sup> Street; South State Street; West 25<sup>th</sup> Street; South Dearborn Street; West 24<sup>th</sup> Street; South Federal Street; West 23<sup>rd</sup> Street; and the centerline of vacated South Dearborn Street,

to those of a DX-3 Downtown Mixed-Use District.

SECTION 2. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the DX-3 Downtown Mixed-Use District symbols and indications as shown on Map Numbers 6-E and 6-F in the area bounded by:

West Cermak Road; South State Street; East 23<sup>rd</sup> Street; the alley next east of and parallel to South State Street; a line 100 feet south of and parallel to East 23<sup>rd</sup> Street; South State Street; West 25<sup>th</sup> Street; South Dearborn Street; West 24<sup>th</sup> Street; South Federal Street; West 23<sup>rd</sup> Street; and the centerline of vacated South Dearborn Street,

to those of a Residential Business Planned Development subject to the use and bulk regulations set forth in the Plan of Development attached hereto and made a part hereof.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development No. 1419.

*Plan Of Development Statements.*

1. The area delineated herein as Planned Development Number 1419 (the "Planned Development") consists of approximately 573,641 square feet of net site area (after right-of-way adjustments contemplated herein) which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). Ickes Master Developer JV LLC is the "Applicant" for this Planned Development pursuant to authorization from the owners of the Property, the Chicago Housing Authority, the City of Chicago and the Board of Education of Chicago. This Planned Development is divided into subareas (each a "Subarea" and, collectively, the "Subareas") and subparcels as indicated on the attached Subarea Map.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessees. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessees. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance. The Subareas and subparcels designated under this P.D. shall be deemed specifically delineated subareas and subparcels for purposes of Section 17-8-0400 of the Zoning Ordinance, provided, however, that for so long as the Applicant, or any affiliate thereof, owns or controls any part of the Property, any application to the City for any such changes or modifications (administrative, legislative or otherwise) must in all cases be authorized by the Applicant (or Applicant's successor, assignee or grantee to such master developer ownership interest) or such affiliate. The developer making application shall have the burden of establishing to the reasonable satisfaction of the Department of Planning and Development (the "Department") that the Applicant's consent has been obtained or irrevocably waived.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assigns or grantees. Any dedication or vacation of streets or alleys, or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees. Proposed right-of-way adjustments are shown in the attached Right-of-Way Adjustment Map, including the proposed dedication of approximately 72,944 square feet of new right-of-way, and the proposed vacation of approximately 1,155 square feet of existing right-of-way.

To the extent the Applicant proposes to vacate existing right-of-way and CDOT determines that compensation is payable to the City by the Applicant for existing right-of-way, the Applicant shall receive credit on a square footage basis for all right-of-way to be dedicated in determining such compensation.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development (the "Department") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT. Submittals for site plan approval of development within Subareas A and C shall include an updated traffic study, as required by CDOT.

Prior to issuance of the final certificate of occupancy for the improvements to be developed in Subparcels B3 and B4, whichever occurs last, the following improvements shall be completed by the Applicant:

- (i) install left turn arrows on the westbound, northbound, and southbound approaches of Cermak Road and State Street;
- (ii) upgrade the traffic signal at State Street and 24<sup>th</sup> Street to provide eastbound signal heads, pedestrian countdown timers; and
- (iii) install countdown pedestrian signals at the State Street and 24<sup>th</sup> Place.

Prior to issuance of the final certificate of occupancy for the improvements to be developed in Subarea A, the traffic signal at the intersection of State Street and 23<sup>rd</sup> Street, including pedestrian countdown signals, shall be installed by the Applicant.

Prior to the issuance of the final certificate of occupancy for the improvements to be developed in Subparcels B3 and B4, whichever occurs last, either of the following conditions must be fulfilled: (i) Part II Review, pursuant to Section 17-13-0610 of the Municipal Code, for the improvements proposed for Subparcels B1, B2, B5, or B6 must have commenced; or (ii) the improvements depicted in the Subarea B Interim Site, as described in the exhibits associated with this P.D. must be completely installed (or otherwise provided by the following June 1<sup>st</sup>, if such Certificate of Occupancy for Subparcels B3 and B4 is requested at such a time when seasonal weather conditions would not allow completion of the Subarea B Interim Site Plan).

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the Property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This plan of development consists of these eighteen (18) Statements; a Bulk Regulations and Data Table; and the following exhibits and plans attached hereto prepared by Gensler, Antunovich Architects, Brook Architecture, Nia Architects, Terry Guen Design Associates, Wolff Landscape Associates, and Worn Jerabek Wiltse Architects and dated July 19, 2018 (the "Plans"):
  - (a) Existing Zoning Map
  - (b) Existing Land-Use Map
  - (c) Planned Development Boundary and Property Line Map

- (d) Subarea Map
- (e) Generalized Land-Use Plan
- (f) Right-of-Way Adjustment Plan
- (g) Open Space Plan
- (h) Overall Landscape Plan
- (i) Master Site Plan/Phasing
- (j) Subareas B and D -- Phases 1a and 1b Site Plan
- (k) Subareas B and D -- Phases 1a and 1b Dimensioned Development Blocks
- (l) Subarea A -- Phase 2 Dimensioned Development Blocks
- (m) Subarea C -- Phase 3 Dimensioned Development Blocks
- (n) Subareas B and D -- Phases 1a and 1b Public Streets and Right-of-Way Dimensions
- (o) Subareas B and D -- Phases 1a and 1b Dimensioned Site Plan
- (p) Subareas B and D -- Phases 1a and 1b Landscape Plan
- (q) Subareas B and D -- Phase 1a Green Roof Plan
- (r) Subarea A -- Phase 2 Landscape Plan
- (s) Subarea C -- Phase 3 Landscape Plan
- (t) Subarea A -- Phase 2 Site Plan
- (u) Subarea C -- Phase 3 Site Plan
- (v) Subarea B -- Interim Site Plan
- (w) Street Section Key Map
- (x) Street Section A -- Dearborn Street between Cermak Road and 23<sup>rd</sup> Street/  
Street Section B -- Dearborn Street between 23<sup>rd</sup> Street and 24<sup>th</sup> Street

- (y) Street Section C -- 23<sup>rd</sup> Place/Street Section D -- 23<sup>rd</sup> Street and 24<sup>th</sup> Street
- (z) Street Section E -- Dearborn Street between 24<sup>th</sup> Street and 24<sup>th</sup> Place/Street  
Section F -- 25<sup>th</sup> Street
- (aa) Subarea B -- Phase 1a Subparcel B3 Elevations
- (bb) Subarea B -- Phase 1a Subparcel B4 Elevations

Where applicable, full-sized copies of the plans are on file with the Department. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses shall be permitted within the area delineated herein as a Residential-Business Planned Development:

Subarea A (All Subparcels):

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: colleges and universities; parks and recreation: community centers, recreation buildings and similar assembly use; cultural exhibits and libraries: school; day care.

Commercial: animal services; artist work or sales space; business support services; urban farm, rooftop operation; eating and drinking establishments; entertainment and spectator sports (including indoor special event including incidental liquor sales, but excluding inter-track wagering facility); food and beverage retail sales (including, without limitation, accessory liquor sales and wine stores but excluding liquor stores); medical service; office; personal service; retail sales, general; consumer repair or laundry service (laundry/dry cleaning drop-off station only, no on-site dry cleaning); participant sports and recreation, indoor (including, without limitation, children's play center); artisan manufacturing production and industrial services, including without limitation distilleries, breweries and roasteries; co-located wireless communication facilities.

Accessory uses; accessory and non-accessory parking.

**Subarea B-1:**

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits.

Accessory uses; accessory and non-accessory parking.

**Subarea B-2:**

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits.

Accessory uses; accessory and non-accessory parking.

**Subarea B-3:**

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): elderly housing; multi-unit residential.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits; colleges and universities; community centers, recreation buildings and similar assembly use; cultural exhibits and libraries; school; day care.

Commercial: animal services; artist work or sales space; business support services; urban farm, rooftop operation; eating and drinking establishments; entertainment and spectator sports (including indoor special event including incidental liquor sales, but excluding inter-track wagering facility); food and beverage retail sales (including, without limitation, accessory liquor sales and

wine stores but excluding liquor stores); medical service; office; personal service; retail sales, general; consumer repair or laundry service (laundry/dry cleaning drop-off station only, no on-site dry cleaning); participant sports and recreation, indoor (including, without limitation, children's play center); artisan manufacturing production and industrial services, including without limitation distilleries, breweries and roasteries; co-located wireless communication facilities.

Accessory uses; accessory and non-accessory parking.

#### Subarea B-4:

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): elderly housing; multi-unit residential.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits; colleges and universities; community centers, recreation buildings and similar assembly use; cultural exhibits and libraries; school; day care.

Commercial: animal services; artist work or sales space; business support services; urban farm, rooftop operation; eating and drinking establishments; entertainment and spectator sports (including indoor special event including incidental liquor sales, but excluding inter-track wagering facility); food and beverage retail sales (including, without limitation, accessory liquor sales and wine stores but excluding liquor stores); medical service; office; personal service; retail sales, general; consumer repair or laundry service (laundry/dry cleaning drop-off station only, no on-site dry cleaning); participant sports and recreation, indoor (including, without limitation, children's play center); artisan manufacturing production and industrial services, including without limitation distilleries, breweries and roasteries; co-located wireless communication facilities.

Accessory uses; accessory and non-accessory parking.

#### Subarea B-5:

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits.

Accessory uses; accessory parking.

Subarea B-6:

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: parks and recreation, such as passive and active outdoor open space and/or plazas, including programmed activities and events such as yoga sessions, farmers' markets, food truck corral, and cultural and artistic demonstrations, performances and exhibits.

Accessory uses; accessory and non-accessory parking.

Subarea C (All Subparcels):

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): detached house; elderly housing; multi-unit residential; townhouse; and two-flat.

Public and Civic: parks and recreation, including private open space; colleges and universities; community centers, recreation buildings and similar assembly use; cultural exhibits and libraries; school; day care.

Commercial: animal services; artist work or sales space; business support services; urban farm, rooftop operation; eating and drinking establishments; entertainment and spectator sports (including indoor special event including incidental liquor sales, but excluding inter-track wagering facility); food and beverage retail sales (including, without limitation, accessory liquor sales and wine stores but excluding liquor stores); medical service; office; personal service; retail sales, general; consumer repair or laundry service (laundry/dry cleaning drop-off station only, no on-site dry cleaning); participant sports and recreation, indoor (including, without limitation, children's play center); artisan manufacturing production and industrial services, including without limitation distilleries, breweries and roasteries; co-located wireless communication facilities.

Accessory uses; accessory and non-accessory parking.

**Subarea D:**

Residential: dwelling units located above the ground floor; dwelling units located on the ground floor (as follows): elderly housing; multi-unit residential.

Public and Civic: parks and recreation; colleges and universities; community centers, recreation buildings and similar assembly use; cultural exhibits and libraries; school; day care.

Commercial: animal services; artist work or sales space; business support services; urban farm, rooftop operation; eating and drinking establishments; entertainment and spectator sports (including indoor special event including incidental liquor sales, but excluding inter-track wagering facility); food and beverage retail sales (including, without limitation, accessory liquor sales and wine stores but excluding liquor stores); medical service; office; personal service; retail sales, general; consumer repair or laundry service (laundry/dry cleaning drop-off station only, no on-site dry cleaning); participant sports and recreation, indoor (including, without limitation; children's play center); artisan manufacturing production and industrial services, including without limitation distilleries, breweries and roasteries; co-located wireless communication facilities.

Accessory uses; accessory and non-accessory parking.

**Subarea E:**

All permitted and accessory uses in the POS-2 Parks and Open Space District, including without limitation parks and recreation.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted floor area ratio identified in the Bulk Regulations Table has been determined using a net site area of 575,929 square feet and a base FAR of 3.0.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final Landscape Plan Review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) for construction of new buildings, site plan approval by the Department and site plan review by the Chicago Plan Commission shall be required in accordance with this Statement 11, excluding the projects depicted in Subparcels B3 and B4, which are being approved as part of this Planned Development.

The Applicant shall submit a site plan, landscape plan, building elevations and a site data table for the building(s) and subarea(s) in question for review by the Department of Planning and Development (collectively, "Site Plans"). The site data table shall contain the following data for the proposed building(s) as compared to the parameters for the applicable subarea(s) as set forth in the Bulk Regulations and Data Table:

- (a) Gross Site Area;
- (b) Net Site Area;
- (c) FAR floor area of each proposed building;
- (d) Maximum building height;
- (e) Number of dwelling units;
- (f) Number of parking spaces; and
- (g) Other data as may be required by the Department to demonstrate compliance with this Planned Development.

As part of Site Plan Approval, as applicable, the Department of Planning and Development shall require the Applicant to submit Site Plans to the Chicago Department of Transportation, Mayor's Office for People with Disabilities and the Chicago Fire Department for their review and comment. If, after review, the

Commissioner of DPD determines that the Site Plans are not in substantial compliance with the Planned Development, then the Commissioner shall advise the Applicant in writing of the ways in which the Site Plans do not so comply, and the Applicant shall be given the opportunity to submit revised Site Plans. If, after review, the Commissioner determines that the Site Plans are in substantial compliance with the Planned Development, such Site Plans may, at the discretion of the Commissioner, be presented to the Chicago Plan Commission at a public meeting (for which placement on a Chicago Plan Commission Agenda shall be required, but for which publication, posting, and written notice pursuant to Sections 17-13-0107-A, -B, and -C of the Chicago Zoning Ordinance shall not be required) but shall not require review or approval by the City Council. Following the Chicago Plan Commission review, if applicable, the Zoning Administrator shall issue written approval of the applicable Site Plans. Following such approval, the approved Site Plans shall be made part of the main file and shall be deemed to be an integral part of this Planned Development.

Review and approval of Site Plans is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site plan approval submittals need only include that portion of the Property for which approval is being sought by the Applicant. After approval of a Site Plan, changes or modifications may be made pursuant to the provisions of Statement 13. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors, subject to the Applicant's consent requirement as master developer set forth in Statement 2 above. Modifications to the boundaries of subareas and subparcels designated under this P.D. and the reallocation of development rights among subareas and subparcels would constitute a minor change pursuant to Section 17-13-0611-A, provided the minor change criteria are not exceeded on an aggregate basis over all subareas.
14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the

Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all new buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The mixed-use buildings to be located in Subparcels B3 and B4 will achieve LEED certification. In addition, the Applicant intends to provide a green roof equating to 50 percent of the net roof area of the buildings located in Subparcels B3 and B4, consisting of a total of approximately 14,764 square feet. For all other subparcels within Subarea B and all other Subareas, the Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.
16. The Applicant acknowledges and agrees that the rezoning of the Property from the C2-3 Motor Vehicle-Related District, the RM5 Residential Multi-Unit District, and the M1-3 Limited Manufacturing/Business Park District to the DX-3 Downtown Mixed-Use District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or, with the Commissioner's approval, off-site. The Property is located in a "Downtown District" within the meaning of the ARO, and the project is expected to include up to 972 units. If developed to include 972 units, the Applicant's affordable housing obligation is 97 affordable units (10 percent of 972). The Applicant intends to develop the Property in phases as a mixed-income development, including a mix of rental and for-sale product, at a variety of affordability levels, including market-rate, units affordable to households earning no more than 100 percent Area Median Income ("AMI"), 80 percent AMI, and 60 percent AMI, and public housing units pursuant to an agreement with the Chicago Housing Authority. The Applicant agrees that affordable rental units designated to satisfy the affordable housing obligation under this Planned Development must be affordable to households earning no more than 60 percent of AMI, and any affordable for-sale units designated to satisfy this obligation must be affordable to households earning no more than 100 percent of AMI, and for a term no less than 30 years. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for

review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement(s) will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development, the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

17. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority- and Women-owned Business Enterprises ("M/WBEs") and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and \*(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the applicant's proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the applicant's submission for Part II Permit Review for the project or any phase thereof, the applicant must submit to DPD (a) updates (if any) to the applicant's preliminary outreach plan, (b) a description of the

---

\* Editor's Note: Numbering sequence error; (i) missing in original document.

applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

18. Construction of the improvements contemplated by this Planned Development may be completed in phases over a period of years. In accordance with Section 17-13-0612 of the Chicago Zoning Ordinance, it is acknowledged that commencement and completion of certain phases may exceed the periods set forth in Section 17-13-0612 of the Chicago Zoning Ordinance. Unless construction of the project depicted in Subarea B has commenced within six years following adoption of this Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this Planned Development shall lapse, and the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to DX-3 Downtown Mixed-Use District.
