15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the improvements of the Property in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No permits shall be issued pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each new building or improvement.
