RE: 101 North Wacker Drive  
Planned Development  
No. 480

Dear Ms. Pugh:

This is in response to your request for administrative relief to Business Planned Development No. 480 on behalf of North Wacker 101 Associates. This request has been considered by this Department pursuant to Section 11.11-3 (c) of the Chicago Zoning Ordinance.

Specifically, you requested that the Department acknowledge that the obligation under Statement No. 13 of Planned Development No. 480 of the Applicant to make "good faith efforts" to achieve a pedestrian connection to the adjacent property have been satisfied and that the obligation of the Applicant to cause the level of the alley located to the north of the property to be raised be waived. You have provided us with copies of correspondence to the adjacent property owner regarding this matter.

The Department of Planning has determined that the Applicant has undertaken good faith efforts as specified in Statement Number 13 of the Plan of Development; yet has been unsuccessful in causing the owner of the property to the north of the alley to effect the pedestrian connection. The Department has further determined that in light of the foregoing, raising the level of the alley would be inappropriate and futile; and further, that the waiver of this condition would constitute a minor change pursuant to Section 11.11-3 (c) of the Chicago Zoning Ordinance and finally that this minor change will not:

1. Change the character of the development;
2. Increase the number of units per acre;
3. Increase the maximum permitted floor area ratio for the site;

4. Increase the maximum permitted percent land coverage for the site;
5. Permanently reduce the minimum required distance between structures or in the periphery setback.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance, the obligation contained in Statement Number 13 of the Plan of Development pertaining to the raising of the level of the alley located to the north of the property is hereby waived and the obligation upon the Applicant to make good faith efforts to achieve a pedestrian connection with the adjacent property is deemed satisfied.

Sincerely,

Charles Thurow  
Acting Commissioner
