Re: PD 538, 6045 W. Grand Avenue

Dear Mr. Gawronski:

In response to your recent request, please be advised that the subject property is zoned Residential Planned Development No. 538 ("PD 538"). According to our records, the property is improved with a six-story building containing 86 units for the elderly.

We understand that Senior Lifestyle is the owner of the subject property and they are seeking to rehabilitate the building using financing from the Illinois Housing Development Authority. The proposed scope of work includes upgrading the units and common spaces along with the replacement of the roof, windows and HVAC systems. No building addition or changes in occupancy type or number of units is proposed. The proposed renovation is permitted under the current zoning designation and the current zoning allows for the continued existence of the 86 unit building following its proposed rehabilitation.

All rehabilitation and new construction must comply with the requirements of PD 538 and the Chicago Zoning Ordinance, and all required permits must be obtained prior to the start of construction.

Sincerely,

Kyle Bartlett
Assistant Zoning Administrator
