RE: Request for minor changes to Residential Planned
Development No. 564 (859 West Erie Street)

Dear Mr. Kaufman:

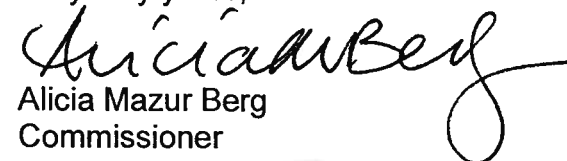

Please be advised that your request for minor changes to Residential Planned Development No. 564 on behalf of 859 West Erie L.L.C., has been considered by the Department of Planning and Development pursuant to Section 11.11-3(c) of Chicago Zoning Ordinance and Statement No.13 of the Planned Development.

Specifically, you requested that the "Bulk Regulations and Data Table" be modified to reflect a reduction in both the maximum number of dwelling units allowed for the planned development from 120 dwelling units to 84 dwelling units, and to reflect a reduction in the minimum number of off-street parking spaces required for the planned development from 148 spaces to 102 spaces. Please note that these revisions are reflective of the Administrative Relief granted on May 6, 2002, which approved the substitution of the approved Site and Landscape Plan and Building Elevations with revised exhibits for the proposed midrise building.

The Department is in receipt of letters of support from the Erie Pointe Condominium Association, the Neighbors of River West and the Department of Transportation.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance, I hereby approve the requested minor changes, but no other changes to this planned development. The Revised Bulk Regulations and Data Table dated March 25, 2002, is made part of this approval.

Very truly yours,
