(Continued from page 43261)

South Wells Street; West Polk Street; the alley immediately west of and parallel to South Wells Street; and a line 139.34 feet south of and parallel to West Polk Street,

to those of a Residential Planned Development which is hereby established in the area described above subject to such use and bulk regulations as are set forth in the Plan of Development attached hereto and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential Planned Development.

633

Plan Of Development Statements.

1. The area delineated herein as a Residential Planned Development (the "Planned Development") consists of approximately fourteen thousand seven hundred eighty (14,780) square feet (plus or minus thirty-four (± 34) acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property") and is owned or controlled by the Applicant, 801 South Wells Limited Partnership.
2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets, alleys or easements or any adjustment of right-of-way shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the City Council.
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 11.11-1 of the Chicago Zoning Ordinance, the Property, at

the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the Property, or any condominium association which may be formed to represent all of the owners for zoning purposes and any ground lessors.

4. This Plan of Development consists of thirteen (13) Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; an Existing Land-Use Map; a Site Plan; and Building Elevation Drawings prepared by Pappageorge/Haymes Ltd., dated April 10, 1997. Full sized copies of the Site Plan and the Building Elevations are on file with the Department of Planning and Development. These and no other zoning controls shall apply to the Property. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.
5. The following uses are permitted in the area delineated herein as a Residential Planned Development:
 - multi-family dwelling units and accessory uses.
6. Identification signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development.
7. Off-street loading facilities shall be provided in compliance with this Planned Development subject to the review of the Department of Transportation and the approval of the Department of Planning and Development.
8. Any service drive or other ingress or egress shall be adequately designed and paved, in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such paved areas. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development.

9. In addition to the maximum height of the improvements and any appurtenance attached thereto prescribed in this Planned Development, the height of any improvement shall also be subject to limitations as approved by the Federal Aviation Administration.
10. The improvements on the Property, and all entrances and exits to and from the loading area shall be designed, constructed and maintained in substantial conformance with the Site Plan and the Building Elevations.
11. The requirements of the Planned Development may be modified, administratively, by the Commissioner of the Department of Planning and Development upon the application for such a modification by the Applicant and a determination by the Commissioner of the Department of Planning and Development that such modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of the Planned Development by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance.
12. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within this Planned Development in an energy efficient manner, generally consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigeration and Air-Conditioning Engineers ("A.S.H.R.A.E.") and the Illuminating Engineering Society ("I.E.S.").
13. Unless substantial construction of the improvements contemplated by this Planned Development has commenced within ten (10) years following adoption of this Planned Development, and unless completion thereof is diligently pursued, then this Planned Development shall expire; provided, however, that if the City Council amends the Chicago Zoning Ordinance to provide for a shorter expiration period which is applicable to all planned developments, then this Planned Development shall expire upon the expiration of such shorter time period as provided by said amendatory ordinance (the first (1st) day of which as applied to this Planned Development shall be the effective date of the amendatory ordinance). If this Planned Development expires under the provisions of this section, then the zoning of the Property shall

automatically revert to the pre-existing C3-6 Commercial-Manufacturing District.
