Reclassification Of Area Shown On Map No 1-F.

(As Amended)

(Application No. 20231)

(Common Address: 723 -- 741 W. Randolph St./101 -- 133 N. Halsted St./
724 -- 740 W. Washington Blvd.)

[SO2019-7972]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the DX-5 Downtown Mixed-Use District symbols and indications as shown on Map Number 1-F in the area bounded by:

North Halsted Street; the south line of vacated West Court Place; a line 151.34 feet east of and parallel to North Halsted Street; and West Washington Boulevard,

to those of a DX-7 Downtown Mixed-Use District.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all of the DX-7 Downtown Mixed-Use District and Residential-Business Planned Development Number 1230 symbols and indications as shown on Map Number 1-F in the area bounded by:

North Halsted Street; West Randolph Street; a line 217.82 feet east of and parallel to North Halsted Street; a line 192.26 feet south of and parallel to West Randolph Street; a line 218.79 feet east of and parallel to North Halsted Street; a line 78 feet north of and parallel to West Washington Boulevard; a line 212.3 feet east of and parallel to North Halsted Street; and West Washington Boulevard,

to those of Residential-Business Planned Development Number 1230, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development No. 1230, As Amended.

Planned Development Statements.

1. The area delineated herein as Planned Development Number 1230 ("Planned Development") consists of approximately 74,738 square feet of property which is

depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Randolph Halsted LLC owns a portion of the Property and is the ("Applicant") for this amendment with the authorization from the remaining property owners.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current rules and regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This Plan of Development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Boundary Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Subarea Map; a Site Plan and Landscape Plan; a Landscape Plant List and Details; Building Elevations (North Tower with Randolph Streetscape, South Tower with Washington Streetscape, East Tower, North Halsted Street, Courtyard North and Courtyard South) and Facade Details (Typical Podium, Typical Tower I and Typical Tower II) prepared by Perkins Eastman and dated February 21, 2020, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development:

Subarea A:

dwelling units above the ground floor, lodging, participant sports and recreation, general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, day care (accessory to participant sports and recreation use), private club, co-located wireless communication facilities, incidental and accessory uses and accessory parking.

Subarea B:

general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, private club, co-located wireless communication facilities, incidental and accessory uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development ("DPD"). Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 74,738 square feet and a base FAR of 7.0. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (List of all bonuses applied for and calculations)	FAR
Base FAR:	7.00
Affordable Housing:	0.45
	(Reflects previously approved bonus pursuant to 2007 ARO -- 1.0 FAR approved for previous 23,247 square foot site area)
Neighborhoods Opportunity Bonus:	4.05
Total FAR:	11.5

The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this Bonus FAR, the total FAR for the Planned Development is 11.5. In exchange for 4.05 FAR of the bonus FAR (the "NOF Bonus"), the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in Subarea A; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The NOF Bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, DPD has approved the Applicant's proposal to construct in-kind streetscape improvements on Randolph Street, as depicted on the Site and Landscape Plans (the "Project") in lieu of the Local Impact portion of the payment. Prior to the issuance of the first building permit for the Planned Development, the Applicant shall enter into an agreement with DPD specifying the type of improvements to be provided, the value of the improvements, the timeline for completion of the improvements, and any other terms or conditions the Commissioner of Planning and Development (the "Commissioner") deems necessary or desirable. The Applicant shall submit detailed site-specific cost estimates for the Project, drawings, detailed construction commitments, a construction schedule, and a performance bond for completion of the Project. The agreement must be in a form approved by the Corporation Counsel. The Applicant shall construct the Project in accordance with the requirements of Section 17-4-1005-E.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority- and Women-owned Business Enterprises ("M/WBEs") and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the applicant's proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the applicant's submission for Part II Permit Review for the project or any phase thereof, the applicant must submit to DPD (a) updates (if any) to the applicant's preliminary outreach plan, (b) a description of the applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of

* Editor's Note: Numbering sequence error; (i) missing in original document.

such participation. In addition to the foregoing, DPD may request such additional information as the Department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, as it existed at the time of the 2014 Planned Development 1230 approval, the Applicant requested an increase in the floor area ratio for the Property of 23,347 square feet (i.e., 1.0 FAR for the previous site area of 23,347 square feet), as set forth in the bonus worksheet required under previous Section 17-4-1003-D. Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") was required to either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. For the previously approved 220 units, the Applicant had elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in previous Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment in the amount of \$541,650.40 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements set forth in previous Section 17-4-1004, the terms of which are incorporated herein by this reference.

The Applicant acknowledges and agrees that the rezoning of the Property from Residential-Business Planned Development Number 1230 to this amended Planned Development (P.D.) to add 150 additional permitted units triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10 percent to 20 percent. Any developer of a residential housing project in the Near North Zone must provide the first 10 percent of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner, in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10 percent of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance

from the project or income area, or (iii) any combination of (i) and (ii). The proposed amendment will add 150 additional permitted units in the P.D. As a result, the Applicant's affordable housing obligation is 30 affordable units (20 percent of 150), consisting of 15 First Units and 15 Additional Units. Further, as a result of input received through the community process and in order to gain community support for the project, the Applicant has voluntarily agreed to provide 10 Additional Units beyond the 15 Additional Units required under the Near North/Near West ARO Pilot Area Ordinance. The voluntary Additional Units will consist of units with a minimum of two bedrooms. The Applicant has asked the City, and the City has agreed, to regulate and monitor the 10 voluntary Additional Units in the same manner as it regulates and monitors the required Additional Units. The Applicant acknowledges and agrees that any reference to Additional Units in this Planned Development shall include the voluntarily provided Additional Units as well as the required Additional Units.

The Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto; provided, however, Applicant has agreed to make a good faith effort to locate the Additional Units off-site. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago, at prices affordable to households at such income level, and is required to lease the Additional Units to households earning up to 80 percent or 100 percent of AMI, as determined by rule and approved by the Commissioner, at prices affordable to households at such income levels. If the Applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the requirements and number of required Affordable Units to reflect any such change without amending the P.D. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

[SO2017-7018]

The Committee on Zoning, Landmarks and Building Standards submitted the following
report:

CHICAGO, July 25, 2018.

To the President and Members of the City Council:

Presenting a report for your Committee on Zoning, Landmarks and Building Standards
which held a meeting on July 24, 2018, the following items were passed by a majority of
the members present:

Pages 1 through 3 contain various map amendments.

Page 3 also contains large signs over 100 square feet in area, 24 feet above grade.

I hereby move for passage of the proposed substitute ordinance transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,
Chairman.

On motion of Alderman Solis, the said proposed substitute ordinance transmitted with the
foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Tabares, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, J. Moore, Silverstein -- 48.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke abstained from voting pursuant to Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to these ordinances in previous and unrelated matters.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of DX-5 Downtown Mixed-Use District symbols and indications as shown on Map Number 1-F in the area bounded by:

North Halsted Street; West Randolph Street; a line 61.3 feet east of and parallel to North Halsted Street; and the south line of vacated West Court Place,

to those of a DX-7 Downtown Mixed-Use District.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all of the DX-7 Downtown Mixed-Use District and Residential-Business Planned Development Number 1230 symbols and indications as shown on Map Number 1-F in the area bounded by:

North Halsted Street; West Randolph Street; a line 217.82 feet east of and parallel to North Halsted Street; a line 192.26 feet south of and parallel to West Randolph Street; a line 218.79 feet east of and parallel to North Halsted Street; a line 78 feet north of and parallel to West Washington Boulevard; a line 212.3 feet east of and parallel to North Halsted Street; West Washington Boulevard; a line 151.34 feet east of and parallel to North Halsted Street; and the south line of vacated West Court Place,

to those of Residential-Business Planned Development Number 1230, as amended, which is hereby established in the area above described subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development No. 1230, As Amended.

Planned Development Statements.

1. The area delineated herein as Planned Development Number 1230 ("Planned Development") consists of approximately 51,680 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Randolph Halsted LLC owns a portion of the Property and is the "Applicant" for this amendment with the authorization from the remaining property owners.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys

- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway and landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II Review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Boundary Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Subarea Map; a Site Plan and Landscape Plan; Landscape Plant Lists and Details; Building Elevations (North, South, East and West); and Typical Window Wall Details prepared by Perkins Eastman Architects and dated July 19, 2018, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development:

Subarea A:

dwelling units above the ground floor, lodging, participant sports and recreation, general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and, medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, day care (accessory to participant sports and recreation use); private club; colocated wireless communication facilities, incidental and accessory uses and accessory parking.

Subarea B:

general and limited restaurant, tavern, outdoor patio (rooftop and at grade), small and medium venues, banquet or meeting halls, general retail, food and beverage retail sales, liquor sales, medical service, office, personal service, private club; colocated wireless communication facilities, incidental and accessor uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development ("DPD"). Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 51,680 square feet and a base FAR of 7.0. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

FAR of 7.0. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (List of all bonuses Applied for and calculations)	FAR
Base FAR:	7.00
Affordable Housing:	0.45
	(Reflects previously-approved bonus pursuant to 2007 ARO -- 1.0 FAR approved for previous 23,247 square foot site area)
Neighborhoods Opportunity Bonus:	4.05
Total FAR:	11.5

The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the

total FAR for the Planned Development is 11.5. In exchange for 4.05 FAR of the bonus FAR (the "NOF Bonus"), the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in Subarea A; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The NOF Bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, DPD has approved the Applicant's proposal to construct in-kind streetscape improvements on Randolph Street, as depicted on the Site and Landscape Plans (the "Project") in lieu of the Local Impact portion of the payment. Prior to the issuance of the first building permit for the Planned Development, the Applicant shall enter into an agreement with DPD specifying the type of improvements to be provided, the value of the improvements, the timeline for completion of the improvements, and any other terms or conditions the Commissioner of Planning and Development (the "Commissioner") deems necessary or desirable. The Applicant shall submit detailed site-specific cost estimates for the Project, drawings, detailed construction commitments, a construction schedule, and a performance bond for completion of the Project. The agreement must be in a form approved by the Corporation Counsel. The Applicant shall construct the Project in accordance with the requirements of Section 17-4-1005-E.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority- and Women-owned Business Enterprises ("M/WBEs") and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and City resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II Permit Review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward

office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and City resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and City resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the Department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and City residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, as it existed at the time of the 2014 P.D. 1230 approval, the Applicant requested an increase in the floor area ratio for the Property of 23,347 square feet (i.e., 1.0 FAR for the previous site area of 23,347 square feet), as set forth in the bonus worksheet required under previous Section 17-4-1003-D. Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") was required to either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. For the previously-approved 220 units, the Applicant had elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in previous Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment in the amount of \$541,650.40 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements set forth in previous Section 17-4-1004, the terms of which are incorporated herein by this reference.

The Applicant acknowledges and agrees that the rezoning of the Property from Residential-Business Planned Development Number 1230 to this amended Planned Development (P.D.) to add 150 additional permitted units triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10 percent to 20 percent. Any developer of a residential housing project in the Near North Zone must provide the first 10 percent of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner, in an off-site location within two miles of the Property and in the same or a different higher income area or

downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10 percent of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The proposed amendment will add 150 additional permitted units in the P.D. As a result, the Applicant's affordable housing obligation is 30 affordable units (20 percent of 150), consisting of 15 First Units and 15 Additional Units. Further, as a result of input received through the community process and in order to gain community support for the project, the Applicant has voluntarily agreed to provide 10 Additional Units beyond the 15 Additional Units required under the Near North/Near West ARO Pilot Area Ordinance. The voluntary Additional Units will consist of units with a minimum of two bedrooms. The Applicant has asked the City, and the City has agreed, to regulate and monitor the 10 voluntary Additional Units in the same manner as it regulates and monitors the required Additional Units. The Applicant acknowledges and agrees that any reference to Additional Units in this Planned Development shall include the voluntarily-provided Additional Units as well as the required Additional Units.

The Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto; provided, however, Applicant has agreed to make a good faith effort to locate the Additional Units off-site. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago, at prices affordable to households at such income level, and is required to lease the Additional Units to households earning up to 80 percent or 100 percent of AMI, as determined by rule and approved by the Commissioner, at prices affordable to households at such income levels. If the Applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the requirements and number of required Affordable Units to reflect any such change without amending the P.D. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this

Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Reclassification Of Area Shown On Map No. 1-F.
(As Amended)
(Application No. 17666)
(Common Address: 723 -- 729 W. Randolph St.)

BBPD 1230

[SO2013-784]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the current DX-7 Downtown Mixed-Use District symbols and indications as shown on Map Number 1-F in the area bounded by:

West Randolph Street; a line 217.46 feet east of North Halsted Street; the south line of West Court Place; North Halsted Street; the north line of West Court Place; and a line 121.30 feet east of North Halsted Street,

to those of a Residential-Business Planned Development which is hereby established in the area described above.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development Statements.

1. The area delineated herein as Planned Development Number 1230 ("Planned Development") consists of approximately 23,347 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the applicant, 725 Randolph LLC.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the

applicant or its successors, assign or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Housing and Economic Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of sixteen (16) statements; a Bulk Regulations Table; an Existing Land-Use Map; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Right-of-Way Adjustment Map; a Site/Landscape Plan; an Amenity Floor Plan; a Green Roof Plan and Building Elevations submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Housing and Economic Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This planned development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a planned development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: Residential Units; Day Care; Permitted uses in the Commercial use group, including accessory and non-accessory parking; Wireless Communications Facilities; and accessory uses.

The following uses are prohibited: Undertaking, Lodging, Entertainment Cabaret, and Free-Standing Communication (Towers), Vehicle Sales and Service Uses, Uses within the Public and Civic Use Group and the Industrial Use Groups.

The applicant may lease to members of the public on an hourly, daily, weekly or monthly basis up to forty-five percent (45%) of the minimum required residential parking spaces, and any parking spaces above the minimum required.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Housing and Economic Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply, provided, however that all parking spaces in the proposed mechanical garage shall be excluded from Floor Area for Floor Area Ratio purposes. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 23,347 square feet and a base FAR of 7. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (List of all bonuses applied for and calculations)	FAR
Base FAR:	7.00
Upper Level Setbacks:	0.32
Affordable Housing:	1.00
Total FAR:	8.32

9. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D. Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") must either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. The applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the applicant acknowledges and agrees that it must make a cash payment in the amount of \$541,650.40 ("Cash Payment"). The applicant must make the required Cash Payment before the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference.
10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape

plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant has agreed to provide a 50 percent green roof over the net roof area and achieve Energy Star Certification to comply with the City of Chicago's Sustainable Matrix.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Housing and Economic Development shall initiate a Zoning map amendment to rezone the Property to a DX-7 Downtown Mixed-Use District.
